**SQUARE
DANCING**

It's NOT what you think!

FAQ

The world of **Square Dancing** is definitely **NOT what you think.** There are various stereotypes of the kind of people, music, activities and dances associated with square dancing. Some think it is 'country & western,' while others

believe it is only 'old people' who enjoy square dancing. Still others think that any dancing is for people with rhythm. **None** of these ideas is true.

See For Yourself

The Ozone Squares invite **YOU** to discover for yourself the benefits of becoming a member of our club.

1) Do I need any experience dancing?

No, we offer classes even if you have 2 left feet.

2) Is it expensive?

No, the classes average less than \$3.00/class/person. Club Membership afterwards is only \$10.00/month/person.

3) Are there other costs involved?

Maybe. These other costs are at your own option, such as traveling, clothing and some small dance fees at other clubs. Whatever you may want to do.

4) Can my family participate?

YES, all ages welcome!

5) I am already a square dancer, what now?

Come join as a regular member and start coming to Monday night dances.
